American Merchant Marine Insurance Company

Protects one Station Marker during the Flood of 1912 or 1927. Closes after being used or the Flood of 1927 Event.

Bradley Lumber Company

Comes with Lumber Token. Owner and Operating Company both receive \$10 from the money supply any time the hexagon with the Lumber Token is included in a route.

Carbon Coal Company

Comes with Coal Token. Owner and Operating Company both receive \$10 from the money supply any time the hexagon with the Coal Token is included in a route.

Dixie Fire Insurance Company

The owner of the Dixie Fire Insurance Company may remove a station marker of a company directly or indirectly controlled by them. The owner then receives \$100 from the money supply. This closes the Dixie Fire Insurance Company.

Flood of 1912

All non-Brown tiles in river hexagons and on the right column of the map are downgraded by one phase color and removed from the game.

Occurs when last 5 train is bought.

Flood of 1927

All non-Brown tiles in river hexagons and on the right column of the map are downgraded by one phase color and removed from the game.

Occurs when 7 train is bought.

General Pierson Transfer Steamer

Place a ferry token in West Memphis. Routes may run to Memphis regardless if a bridge has been built. This counts as a stop and pays \$20 to the company and \$10 to the owner of the General Pierson. Remove the token and close the company after the Flood of 1912.

Let Us Build Us A City

Comes with the Brown tile 118. Placing this tile counts as the company's tile placement action during the Operating Round. If the tile is not placed before the Flood of 1927, it is returned to the general tile supply.

Labor Strike of 1921

Trains do not run for 1 Operating Round. Companies and players are still responsible for any financial obligations.

Occurs when last 6 train is bought.

Port Authority

Comes with Port Token. Owner and Operating Company both receive \$10 from the money supply any time the hexagon with the Port Token is included in a route. Removed if on a non-Brown hexagon during a Flood Event.
